National Science and Technology Council's Grants for Domestic Experts and Scholars to Attend International Conferences

1. Aims/ Goals: In order to promote the international status of academic research, the National Science and Technology Council (hereafter referred to as "NSTC") provides grants for domestic experts and scholars to attend international academic conferences and present research results.
2. Application period: The deadline for the applicant organization to submit the list of applicants to the NSTC shall be six weeks prior to the date of the conference.
3. Eligibility requirements:
 - (1) Current teaching or research staff in the applicant organization.
 - (2) Postdoctoral researchers who participate in the NSTC's research projects.
4. Application procedures: The applicants should provide the documents described below as files to be uploaded to the NSTC Academic Research Service Portal. Then the applicant organization should review and submit the applications.
 - (1) An application form
 - (2) An acceptance letter. If the acceptance letter cannot be provided along with the application, applicants shall indicate the acceptance letter will be submitted and shall be sent to the NSTC no later than 3 weeks prior to the date of the conference.
 - (3) An abstract for conference paper (papers are limited to which have not been published in journals or other international conferences).
 - (4) Other documents useful for review (such as the full text of the paper)
5. Each applicant is limited to one grant within the same fiscal year. In the case of papers with multiple authors, only one author can be granted.
